Auxiliary Training Program staff at Headquarters make C-School selections, not course instructors.

All AUX-12 students receive government orders for reimbursement of hotel and per diem; airfare costs are covered in advance.

Airline and Housing Reservations: When you receive notification of your selection to the course, make airline reservations through the government-contracted agency, ADTRAV. Lodging reservations are made direct to Homewood Suites. The course director will send you specific information regarding travel and housing prior to the course start date

Remain Overnight (RON): Class ends at 1700 Sunday June 18. If you cannot arrive home by midnight that day, request an orders extension through your DIRAUX for authorization to Remain Overnight (RON). RONs are not authorized for personal convenience.
